24TH ANNUAL REMEMBRANCE SERVICE

DECEMBER 11, 2011 FROM 3 TO 5 PM
AT THE MABEE BALLROOM IN THE RAGSDALE CENTER
AT ST. EDWARD'S UNIVERSITY

FINDING A NEW PURPOSE

When special guest speaker Ted Wiard lost his wife to cancer and then his two young daughters and mother-in-law in an automobile accident, his life's purpose, as he knew it, was over. He constructed a new meaning of life by reaching out to others. Come hear his powerful story of channeling intense grief into providing hope for others at his Golden Willow Retreat center, proving that life after loss can not only be possible, but promising.

Light refreshments will be provided.

Kindly return the enclosed response card.
